1. Introduction and General Information

Thank you for choosing Arch MI as your mortgage insurance provider. By providing mortgage insurance and sharing the risk of default for mortgage lending, Arch MI helps lenders and investors expand their lending opportunities. Arch MI promotes the expansion of viable home ownership opportunities through the use of fair and reasonable underwriting requirements that support our objective of making home ownership affordable and sustainable.

Within this Manual, “Arch MI” includes Arch Mortgage Insurance Company, United Guaranty Residential Insurance Company and United Guaranty Mortgage Indemnity Company. When “United Guaranty” is used, it refers to United Guaranty Residential Insurance Company and United Guaranty Mortgage Indemnity Company.

1.01. Risk and Underwriting Philosophy (January 4, 2018)

Arch MI’s goal is to ensure that sound underwriting decisions are made on mortgage insurance applications. Specifically, (1) the loan transaction must represent an insurable risk, (2) the loan transaction and collateral must be accurately represented, (3) reasonable judgment must be used and reasonable due diligence applied, and (4) the risk associated with the loan transaction can be adequately priced.

Our underwriting requirements are designed to facilitate the assessment of mortgage default and foreclosure risk. The requirements in this Manual establish the boundaries of acceptable risk. The Manual provides a set of comprehensive underwriting requirements to ensure the likelihood that the borrower will be able to repay the loan. These requirements consider the following:

- Credit: The borrower’s willingness and ability to repay obligations (credit history).
- Capacity (Income): The stability and amount of the borrower’s income in relationship to the borrower’s obligations.
- Capital (Assets and Equity): The borrower’s total assets, savings history, reserves, and investment into the property.
- Collateral (Property): The condition, marketability, and value of the property.
- Economic and housing conditions present in the property’s market area.
- Loan transaction: Term, amortization type, adjustable versus fixed, documentation type, etc.

Arch MI is committed to insuring quality loans that make sense for everyone involved. When underwriting a loan, the overall risk of the loan should be considered. An individual risk factor within a loan file may not necessarily create an uninsurable risk, especially when compensating factors are present. However, a layering of risk factors within the loan file without offsetting compensating factors will generally increase the likelihood of foreclosure and create an uninsurable risk. We recognize that certain loans may fall outside Arch MI’s underwriting requirements but still represent an insurable risk. When this happens, the lender should submit the loan as a non-delegated submission. Arch MI will review the loan carefully to identify any compensating factors that may warrant an exception.

The lender is responsible for ensuring that the loan information provided within the MI submission is true and accurate. Misrepresentation or fraud presents a serious risk to the likelihood of loan repayment. The lender should have robust procedures in place to prevent misrepresentation and fraud from any party involved with the loan transaction.

Arch MI reserves the right to request additional information concerning the loan transaction.

1.02 Fair Housing and Equal Credit Opportunity Acts (March 1, 2017)

Arch MI believes in fair treatment of all borrowers in accordance with applicable law. We operate in accordance with the provisions of the Fair Housing Act as well as the Equal Credit Opportunity Act (though this law is not directly applicable to Arch MI). The Fair Housing Act makes it unlawful to discriminate in housing-related activities against any person because of race, color, religion, national origin, sex, handicap, or familial status. The Equal Credit Opportunity Act prohibits discrimination with respect to any aspect of a credit transaction on the basis of sex, race, color, religion, national origin, marital status, age (provided the applicant has the capacity to enter into a binding contract), receipt of public assistance, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

Arch MI fully supports the letter and the spirit of both of these laws and will not condone discrimination in any mortgage guaranty insurance transaction. It is our objective to help make home ownership affordable and attainable.

Our commitment to you and the housing finance industry is a responsibility we take seriously, as we work to encourage fair lending, open new markets, and expand our insurance services.

1.03 Submission Methods (November 15, 2018)

Arch MI has two submission methods for mortgage insurance applications: non-delegated submissions and delegated data submissions (delegated). Most of the underwriting requirements in this Manual apply to both delegated and non-delegated submissions. When the requirements are different for each submission method they will be clearly identified within the Manual.

Regardless of the submission method used, the lender is responsible for ensuring that the information provided is true and accurate. The lender is also responsible for notifying Arch MI of any data changes pertaining to the loan (including, but not limited to, loan terms, credit information, income, debts, appraisal, property value, or loan amount).

Please see the details for each submission method below.

1.03.01 Non-Delegated Submissions (November 15, 2018)

For a non-delegated submission, the lender sends a copy of the entire loan underwriting file to Arch MI. With a non-delegated submission, certain underwriting requirements are more expansive than our delegated underwriting requirements (for example, loan amount and credit score requirements). Underwriting requirements that are more expansive for non-delegated submissions are clearly identified within the Manual.

If you have a loan you believe is an acceptable risk, but is outside our underwriting requirements, we encourage you to submit the loan non-delegated. Our experienced underwriting staff will evaluate the overall risk of the loan to determine its eligibility for insurance (items listed as ineligible within [section 2](#) and those listed in the [Ineligibility Matrix in section 3](#) are generally not available for exceptions).

With a non-delegated submission, our skilled underwriting team can weigh all of the individual risk characteristics and compensating factors. Therefore, you will have peace of mind knowing your loan received a comprehensive MI risk review and that the correct decision was made for both the lender and Arch MI.

If Arch MI conducts a non-delegated underwriting review and issues a conditional commitment or suspends or declines the loan for mortgage insurance, a delegated lender may not exercise its delegated authority to resubmit the loan.

1.03.02 Delegated Submissions (November 15, 2018)

Delegated is available to approved lenders. Our delegated option allows reporting of loan data only to Arch MI for mortgage insurance applications. With delegated, Arch MI issues an MI commitment and certificate based on the lender's representation that the loan meets Arch MI's underwriting requirements. As part of this option, the lender is responsible for errors and omissions that could otherwise be discovered with a non-delegated submission.

When submitting a loan via a delegated submission, no exceptions are allowed to the delegated underwriting requirements. Loans that do not meet the delegated underwriting requirements may meet the non-delegated underwriting requirements (see non-delegated submissions above).

If Arch MI conducts a non-delegated underwriting review and issues a conditional commitment or suspends or declines the loan for mortgage insurance, a delegated lender may not exercise its delegated authority to resubmit the loan.

The sections for which the underwriting requirements differ for delegated versus non-delegated submissions include:

- [Section 1.04.02](#) Conditional Commitments – Requirements.
- [Section 2.01](#) LTV/Loan Amount/Credit Score/DTI Requirements.
- [Section 3.02.01](#) Unacceptable DU and Loan Product Advisor Recommendations.
- [Section 3.03.01](#) LTV/Loan Amount/Credit Score/DTI Requirements.
- [Section 3.06.01.02](#) Jumbo Loans (\$850,001 to \$1,500,000).
- [Section 3.07.01.02](#) Maximum Loan Amounts for Adjustable-Rate Mortgages.
- [Section 3.12.02.01](#) Non-Traditional Credit.
- [Section 3.14.03](#) Condominiums and Cooperatives (Co-ops).

Delegated submissions may be submitted to Arch MI via **CONNECT**, electronic data interchange (EDI) or a loan origination system (LOS).

Customers who use delegated may also elect to send non-delegated submissions to Arch MI.

If you are interested in applying for delegated, please contact your [Arch MI Account Manager](#).

1.04 Commitment/Certificates (November 15, 2018)

1.04.01 Final Commitments (April 25, 2018)

1.04.01.01 Requirements (March 1, 2017)

To issue a final commitment, Arch MI requires that all pertinent information necessary to underwrite the mortgage loan be documented and verified (see [section 3.05.01](#) for age of documentation requirements):

- Property address.
- Sales agreement.
- Appraisal or alternative as permitted within this Manual.
- Employment.
- Income.
- Assets.
- Credit.

1.04.01.02 Terms (April 25, 2018)

- The standard commitment term is 4 months.
 - A 12-month commitment term will be issued for construction-to-permanent loans except for manufactured homes, which will receive a 4-month commitment term regardless of the construction status.

1.04.01.03 Extensions (March 1, 2017)

- Extensions to commitments/certificates are not allowed. If the mortgage loan does not close within the term of the commitment/certificate, a new application for mortgage insurance will be

required. All current underwriting requirements and pricing in effect at the time of new application will apply.

1.04.01.04 Changes to Commitment (March 1, 2017)

- Any change to the loan information must be submitted to Arch MI. The new information will be evaluated based on the underwriting requirements in effect at the time of the change. The MI pricing will be updated based on the new loan information when applicable.

1.04.02 Conditional Commitments (November 15, 2018)

1.04.02.01 Requirements (January 4, 2018)

- Conditional commitments will not be issued for mortgage insurance applications submitted via delegated. All pertinent data must be transmitted in order for a commitment to be issued.
- For non-delegated submissions, conditional commitments may be issued for various reasons when material information or documentation is missing. Conditional commitments are most commonly issued because of missing information or documentation relating to the collateral, sales agreement or appraisal.
 - For files containing conditional commitments issued for a sales agreement or appraisal, the terms for continued eligibility for mortgage insurance depend on the property acceptability.
 - If any condition received is materially different from the information presented on the original application, continued eligibility for mortgage insurance will be based on the underwriting requirements in effect at the time the condition is received.

1.04.02.02 Terms (January 4, 2018)

- 90 days, regardless of the construction status of the property.

1.04.02.03 Extensions (March 1, 2017)

- Extensions to conditional commitments are not allowed.

1.04.03 Pre-Qualification Underwriting Program¹ (November 15, 2018)

1.04.03.01 Requirements (November 15, 2018)

Arch MI's Pre-Qualification Underwriting program is designed to help both lenders and their borrowers determine creditworthiness and the maximum eligible mortgage amount. The MI application typically occurs prior to an offer to purchase a property. A file submitted for pre-qualification review should include all required credit documents. All Arch MI underwriting requirements apply, and a Pre-Qualification Notice is generated.

1.04.03.02 Terms (November 15, 2018)

- The Pre-Qualification Notice is effective for 120 days, is conditional and is not a commitment of insurance.

1.04.03.03 Extensions (November 15, 2018)

- Extensions to the Pre-Qualification Notice are not allowed. If additional information is not provided to Arch MI within the original term, a new application is required.

¹Available for loans submitted under an Arch MI Master Policy only.

2. Underwriting Requirements for Loans Underwritten with Desktop Underwriter[®] (DU[®]) or Loan Product Advisor[®] – EZ Decisioning and SwiftClose

The underwriting requirements in this section apply to both Arch Mortgage Insurance Company's **EZ DecisioningSM** program and United Guaranty's **SwiftCloseSM** program.

Loans receiving one of the valid DU or Loan Product Advisor recommendations listed below are eligible for mortgage insurance when they meet the underwriting requirements outlined in this section. **Loans that meet all the requirements of this section may be submitted either delegated or non-delegated** (see [section 1.03](#) for details) unless otherwise noted in [section 2.01](#) below.

- DU Approve/Eligible or Loan Product Advisor Accept/Eligible.
- DU Approve/Ineligible or Loan Product Advisor Accept/Ineligible where the ineligibility is due to the following reasons **only**:
 - LTV for a 1-unit primary residence with an LTV 95.01% to 97%.
 - LTV for a second home with an LTV 85.01% to 90%.
 - ARM plan/type. The ARM must have an initial fixed-rate period ≥5 years **and** all ARM requirements in [section 3.07.01](#) of the Manual must be met.
 - None of the borrowers are first-time homebuyers.

Note: Loans with an Approve/Ineligible or Accept/Ineligible recommendation are not allowed for loans with non-traditional credit or for which the subject property is a manufactured home.

Arch MI does not approve loans for mortgage insurance based **solely** on the Agency automated underwriting system (AUS) decision. When underwriting to the DU or Loan Product Advisor recommendation, the lender should perform prudent underwriting and risk assessment on each loan, reviewing all loan documentation to detect any potential red flags or inconsistent information which must be addressed. When the loan is submitted non-delegated, Arch MI's underwriters will also underwrite the loan file in this manner.

Loans that **do not** have one of the recommendations listed above or **do not** meet the requirements detailed in this section must meet all Standard Underwriting Requirements in [section 3](#).

2.01 LTV/Loan Amount/Credit Score/DTI Requirements (September 21, 2018)

The following underwriting requirements represent general eligibility limits, used in combination with Arch MI's automated risk evaluation to determine MI eligibility for each loan. Layering of risk attributes may affect the eligibility of loans meeting the general requirements below; this layering will be evaluated when you request your MI rate quote and/or when you submit your loan for MI.

Eligible Loan Types	Fixed-Rate/Fixed-Payment, ARMs, and Buydowns						
Occupancy	Transaction Type	Property Type	Maximum		Maximum Loan Amount	Minimum Credit Score ²	Maximum DTI
			LTV	CLTV			
Primary Residence	Purchase & Rate/Term Refinance	1-unit, SFD/SFA ₃ Condos, Co-ops ³	97%	105% ¹	\$453,100	620	50%
			95%	105% ¹	\$453,101–\$679,650		
		Manufactured Homes ⁴	95%	95%	\$453,100		
		2-Units	95%	100% ¹	\$679,650		
Second Home	Purchase & Rate/Term Refinance	1-unit, SFD/SFA ₃ Condos, Co-ops ³	90%	90%	\$679,650		
Investment Property	Purchase & Rate/Term Refinance	1-unit, SFD/SFA ₃ Condos, Co-ops ³	85%	85%	\$679,650	680	

¹ When the CLTV is greater than the maximum LTV, the subordinate financing must meet Fannie Mae's Community Seconds® or Freddie Mac's Affordable Seconds® requirements. The loan must be identified as an Affordable Housing loan within the MI submission.

² Non-traditional credit (a loan for which no borrower has a credit score) is allowed with a DU Approve/Eligible or LPA Accept/Eligible recommendation when the loan meets all Fannie Mae DU or Freddie Mac LPA requirements. The loan **must be submitted non-delegated**. For loans submitted under a United Guaranty Master Policy, borrowers using non-traditional credit are ineligible when the lender submitting the MI application is located in NY, SD, WA, or TX. In addition, they are ineligible when the property is located in NY. These limitations do not apply to loans submitted under an Arch Mortgage Insurance Company Master Policy.

³ For loans submitted under an Arch Mortgage Insurance Company Master Policy, co-op eligibility is limited to CT, DC, IL, MA, MD, NH, NJ, NY, and VA. These limitations do not apply to loans submitted under a United Guaranty Master Policy.

⁴ Manufactured homes are not allowed with an Approve/Ineligible or Accept/Ineligible recommendation.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3. Standard Underwriting Requirements

The underwriting requirements in this section apply to all manually underwritten loans **and** any loan underwritten with DU or Loan Product Advisor that does not meet the underwriting requirements detailed in [section 2](#). **The requirements in this section apply to both non-delegated and delegated submissions.** Most of the requirements for non-delegated and delegated are the same; however, when they differ it will be clearly identified. When a loan does not meet the requirements of this section, but you believe it is an acceptable risk, submit the loan non-delegated and we will evaluate the overall risk of the loan to determine its eligibility for insurance (unless the requirement not met is listed in the [Ineligibility Matrix](#)).

3.01 General Underwriting Requirements (January 4, 2018)

Arch MI uses a combination of its own specific underwriting requirements and the underwriting requirements of Fannie Mae and Freddie Mac (the Agencies). The information below describes how Arch MI's underwriting requirements work in combination with the Agencies' requirements.

- All Arch MI underwriting requirements listed in section 3 apply, regardless of the Agency requirements for manually or DU/Loan Product Advisor underwritten loans.
- When Arch MI's requirement in section 3 is more liberal than an Agency's requirement, the lender may choose to use the Agency's requirement in lieu of Arch MI's.
- When an item is not specifically addressed within section 3, it means that Arch MI aligns with the Agencies' published³ underwriting requirements for that item as follows (see [Fannie Mae Selling Guide](#) and/or [Freddie Mac Seller/Service Guide](#)):
 - Arch MI aligns with the Agencies' AUS underwriting requirements when the loan is underwritten by DU or Loan Product Advisor.
 - Arch MI aligns with the Agencies' manual underwriting requirements when the loan is a manual underwrite (not underwritten by DU or Loan Product Advisor).
 - If the loan is a manual underwrite and is not being sold to Fannie Mae or Freddie Mac, either of the Agency underwriting requirements may be used.
 - When we align with the Agencies' requirements, a loan may use a combination of Fannie Mae and Freddie Mac requirements, regardless of whether the loan was underwritten with DU or Loan Product Advisor, or manually.
 - If the loan **does not** meet Arch MI requirements or the Agency requirements we align with, or includes items not addressed by either Arch MI or the Agencies, a non-delegated submission to Arch MI is required for consideration.
 - Lender programs containing underwriting requirements that do not meet Arch MI's requirements or the Agency requirements we align with require approval by Arch MI prior to submitting loans for mortgage insurance. **This includes underwriting requirements received through an Agency variance.**

³ Fannie Mae and Freddie Mac published guidelines are defined as guidelines outlined in the Agency Selling Guide available to all lenders without the need for a lender variance or amendment to lender's Master Agreement.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.02 Agency AUS Additional Underwriting Requirements (March 1, 2017)

3.02.01 Unacceptable DU and Loan Product Advisor Recommendations (March 1, 2017)

Loans receiving one of the following DU or Loan Product Advisor recommendations are **ineligible** for delegated submissions. They will be considered on a loan-by-loan basis when submitted non-delegated.

- DU Refer with Caution.
- Loan Product Advisor Caution 500 A-minus Eligible.
- Loan Product Advisor Caution.

For loans that have been underwritten by both DU and Loan Product Advisor and receive an “unacceptable” recommendation from one and an “acceptable” recommendation from the other, Arch MI will use the “acceptable” recommendation for underwriting.

3.02.02 DU and Loan Product Advisor Tolerances (March 1, 2017)

DU and Loan Product Advisor allow specific data tolerances for debt-to-income (DTI) ratios, assets, reserves, etc. For requirements within [section 3](#) of this Manual that are dependent on the DU/Loan Product Advisor decision (such as documentation requirements and reserves), the Agencies’ resubmission tolerances are permitted for determining whether DU or Loan Product Advisor must be rerun; however, all data supplied to Arch MI must be the final accurate data.

3.03 LTV/Loan Amount/Credit Score/DTI Requirements (November 15, 2018)

Please see the applicable sections in the Manual for additional information.

The following LTV/Loan Amount/Credit Score/DTI underwriting requirements represent general eligibility limits, used in combination with Arch MI’s automated risk evaluation to determine MI eligibility for each loan. Layering of risk attributes may affect the eligibility of loans meeting the general requirements below; this layering will be evaluated when you request your MI rate quote and/or when you submit your loan for MI.

Loans will be given consideration by Arch MI when the DTI ratio and/or credit score requirements indicated in the Manual are not met, provided:

- The DTI does not exceed the maximum DTI by more than 5 percentage points.
- The representative credit score for the loan is no more than 10 points below the required credit score and is not lower than 620.
- All other Arch MI underwriting requirements and the Agency requirements we align with are met.
- In some cases, a non-delegated submission may be required.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

- The base LTV (before financed MI) cannot exceed the applicable maximum LTV for the transaction.
- The total LTV, including subordinate financing and the financed MI, cannot exceed 103%.

3.03.03.02 Existing Subordinate Financing (November 28, 2017)

3.03.03.02.01 Rate/Term Refinance (November 28, 2017)

For a rate/term refinance transaction, the existing subordinate financing may be re-subordinated when the following requirements are met.

CLTV does not exceed the Maximum LTV for the Transaction Type:

When the CLTV does not exceed the maximum LTV per the transaction type (see the grid in [section 3.03.01](#)), all occupancy types, property types and loan amounts are eligible.

CLTV exceeds the Maximum LTV for the Transaction Type:

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.03.04.03 CLTV – Definition (March 1, 2017)

The following is Arch MI's definition of CLTV:

- CLTV is the equivalent of all other acronyms (i.e., HCLTV, TLTV, etc.) used to describe the ratio of the combined loan amounts for the first-lien and subordinate lien(s) secured by the subject property, whether drawn or not, to the lesser of the sales price or appraised value.
- Example: A property is being refinanced with an appraised value of \$140,000. The borrower obtains a first-lien mortgage of \$120,000, and an existing Home Equity Line of Credit with an available line of \$10,000 and a balance of \$5,000 is re-subordinated.

Determining the CLTV:	
First lien	\$ 120,000
Plus total available line from Home Equity Line of Credit	+ 10,000
Total liens secured by the subject property	\$ 130,000
CLTV = (\$130,000 ÷ \$140,000)	92.86%

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.05 Documentation Requirements (November 15, 2018)

3.05.01 Age of Documentation (November 15, 2018)

- **Appraisal:**
 - At the time of submission to Arch MI for underwriting, the appraisal must be dated within 120 days; otherwise, a recertification of value is required. However, if the property is appraised “subject to completion,” the lender will be responsible for obtaining the recertification of value prior to the Note Date and the document must be retained in the loan file.
 - The appraisal must be dated within 120 days of the Note Date; otherwise, a recertification of value is required.
 - The recertification of value must be no more than 120 days old on the Note Date.
 - If the recertification of value indicates a decline in value, a new, full URAR with interior/exterior inspection is required.
 - The appraisal cannot be more than 12 months old on the Note Date. Recertification of value is not acceptable for appraisals older than 12 months; a new, full URAR with interior/exterior inspection is required.
- **Credit Documents:**
 - Credit documents include credit reports and employment, income and asset documentation. For all mortgage loans (existing and new construction), the credit documents must be no more than 120 days old on the Note Date.
 - When consecutive credit documents are in the loan file, the most recent document is used to determine whether it meets the age requirement. For example, when two consecutive monthly bank statements are used to verify a depository asset, the date of the most recent statement must be no more than 120 days old on the Note Date.
 - If the credit documents are older than allowed, the lender must update them.
- **Single-Close Construction-to-Permanent Loans:**
 - For this transaction type there is only one Note Date, therefore the conversion/modification date is not applicable to the age of documentation. If the lender updates documentation prior to activating the mortgage insurance (for example, to satisfy Agency requirements), any material differences discovered must be reported to Arch MI per the Master Policy requirements.
- **Properties Located in FEMA-Declared Disaster Areas:**
 - When the subject property is located in a FEMA-declared disaster area, all age of documentation requirements listed as “no more than 120 days old on the Note date” will be expanded to “no more than 180 days old on the Note Date.”

3.05.02 Required Documentation (March 1, 2017)

Arch MI requires documentation to verify the following:

- The loan transaction.
- The AUS findings/feedback report.
- The borrower’s credit history.
- The value of the property.
- The terms of the sale (purchase transaction only).
- The borrower’s employment and income.
- The borrower’s assets and equity.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.05.03 Documentation Requirements for All Loans (Manually or Agency AUS Underwritten) (September 21, 2018)

(Also see [Additional Requirements for AUS Agency Underwritten Loans](#) below.)

■ Appraisal:

- A full Uniform Residential Appraisal Report (URAR), with interior and exterior inspections, is required, unless:
 - An Appraisal Waiver is offered by DU and exercised by the lender for a rate/term refinance transaction, 1-unit primary residence or second home, with a maximum 90%/90% LTV/CLTV.
 - When an Appraisal Waiver is exercised by the lender, the property value entered in DU will be used. All Fannie Mae Appraisal Waiver requirements must be met.
 - If an appraisal is obtained by the lender, the property value and all other information from the appraisal must be used, regardless of whether an Appraisal Waiver is offered and exercised.
 - All other valuation methods are **ineligible**, including Fannie Mae's Rural High-Needs Appraisal Waiver.
- For loan amounts \$1,000,001 to \$1,500,000, a third-party field review appraisal is also required.
- Arch MI **does not** provide relief from representation of the property value based on the Agencies' automated collateral evaluation tools. The lender must underwrite the appraisal to determine value is adequately supported.
- Appraisals originally prepared for FHA financing will be accepted subject to the following:
 - The appraisal must be completed on a standard Fannie Mae or Freddie Mac appraisal form.
 - When the appraisal is completed subject to repairs and/or alterations, Arch MI will require that all repairs and alterations are completed.

■ Verification of Employment/Income:

- For loan amounts \$679,651 to \$1,500,000, the Agencies' manual documentation requirements for income must be followed.
 - If the loan amount is \$850,001 to \$1,500,000 **and** a VOE is used to document the income, it must be accompanied with a current paystub.
- Executed employment contracts, confirmation letters, and offer letters:
 - Executed employment contracts, confirmation letters, or offer letters may be used as verification of employment and income when the requirements below are met. Confirmation or offer letters are generally used when the employer does not use a contract when hiring a new employee; they provide confirmation of the terms of employment and acceptance by the borrower.
 - The contract, confirmation letter, or offer letter must provide the employment and income information required when using the standard forms of employment/income verification (e.g., start date, position, or salary).
 - The contract, confirmation letter, or offer letter must be accepted by the borrower.
 - The lender must obtain a Verbal VOE verifying the authenticity of the contract or confirmation letter.
 - For borrowers scheduled to start their new employment prior to closing, the lender must verify with the employer that the borrower has started.
 - For borrowers starting their new employment post-closing, the loan must meet one of the following:
 - Freddie Mac's post-close employment requirements in section 5303.2(e) of its [Seller/Servicing Guide](#).
 - Fannie Mae's Employment Offers and Contracts requirement in section B3-3.1-09 of its [Selling Guide](#).

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

- Arch MI's Medical and Dental Professionals program requirements (see [section 3.06.03](#)).
 - IRS transcripts:
 - IRS transcripts are generally not required, but may be requested by Arch MI based on our review of the income documentation presented in the application.
 - When a lender has acquired the IRS transcripts prior to the application for mortgage insurance, a copy of the transcripts must be provided.
 - Additionally, transcripts must be provided if acquired by the lender when Arch MI requests a copy of the loan file for quality assurance purposes.
 - Any discrepancy between the loan file income documentation and the transcript information must be appropriately explained and documented. If the transcripts do not support the income documentation provided, and the discrepancies cannot be adequately explained and documented, the loan is **ineligible** for mortgage insurance. The IRS transcript(s) and any subsequent explanation or documentation of discrepancies must be permanently retained in the lender's loan file.
 - **Verification of Assets:**

3.11.02 Reserves (January 4, 2018)

Arch MI's reserve requirements are listed below.

3.11.02.01 Reserves—General (January 4, 2018)

Monthly reserves are calculated by using a specific number of total monthly housing expense payments for the subject property. The monthly housing expense payment (PITIA) includes principal, interest, taxes, insurance, ground rents, cooperative fees, homeowner's association dues, and special assessments. When calculating reserves, the Note rate PITIA should be used for all product types. The following are the minimum reserve requirements.

Primary Residence	1-unit, SFD/SFA, Condos, Co-ops	Purchase (Loan Amounts up to \$679,650)	Aligns with DU/Loan Product Advisor reserve requirements	The lesser of 2 months' PITIA; or the Agencies' reserve requirement

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

Notes:

* DU and Loan Product Advisor are unable to account for additional Agency reserve requirements for second homes and investment properties when the borrower owns other financed second homes and/or investment properties. In these instances, the lender must manually apply additional reserve requirements per the Fannie Mae and Freddie Mac Seller Guide.

3.11.02.02 Reserves – Acceptable Sources of Funds (March 1, 2017)

- Proceeds from a rate/term refinance or cash-out refinance may be used to satisfy the reserve requirement.

3.11.03 Asset Types (March 1, 2017)

3.11.03.01 Seller/Interested-Party Contributions (March 1, 2017)

- Loans that allow interested-party contributions to be used as down payment assistance are **ineligible**.
- Unplanned buydowns (buydowns paid by the builder/seller usually negotiated just before closing on new construction to allow the borrower to receive the interest rate stated on the sales contract when interest rates have risen) must be included as an interested-party contribution.

3.11.03.02 Gifts (Including Gifts of Equity and Grants) (March 1, 2017)

- A gift from a relative or domestic partner who has lived with the borrower for the last 12 months, or from a fiancé or fiancée, **is considered the borrower's own funds** and may be used to satisfy the minimum borrower contribution requirement, as long as both individuals will use the home being purchased as their primary residence (the requirements listed below for other gift/grants do not apply).
- For all other gifts/grants:
 - The borrower's minimum contribution must be met (see [section 3.11.01.01](#) for when gifts/grants may be used to satisfy the minimum borrower contribution).
 - Gift/grants are **ineligible** as a source of funds for:

3.11.03.04 Business Assets (March 1, 2017)

Funds from a borrower's business may be used when the following requirements are met:

- Documentation to show that the borrower has access to the funds.
- A letter from an accountant stating that the withdrawal of the funds will not have a detrimental effect on the business; or

3.11.03.05 Lot Equity (March 1, 2017)

See the [Construction-to-Permanent section](#) for lot equity requirements.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

The following asset types are **ineligible**:

- Cash-on-hand.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.12 Credit and Liabilities (November 15, 2018)

3.12.01 Credit Score Requirements (March 1, 2017)

3.12.01.01 Valid Credit Scores (March 1, 2017)

- For a borrower's credit score to be considered valid, the information on the credit report must be accurate. If any information on the credit report is inaccurate or disputed, see [section 3.12.03.03](#).
- If no borrowers on the loan have a credit score, the loan must meet the non-traditional credit requirements.

3.12.01.02 Minimum Number of Scores Required (March 1, 2017)

- Arch MI requires a minimum of two credit scores per borrower.
 - A borrower with one credit score is acceptable when the lender has requested credit scores from all three credit repositories and only one credit score is available.

3.12.01.03 Borrower Representative Credit Score (March 1, 2017)

Each borrower's representative credit score is used in the determination of the loan representative credit score. A borrower's representative credit score is determined as follows:

- When only one credit score is obtained (and meets the requirements above in section 3.12.01.02), use that score.
- When two credit scores are obtained for the borrower, use the lower score.
- When three credit scores are obtained for the borrower, use the middle score.
- When three scores are obtained for the borrower and two are identical, one of the identical scores is considered the middle score.

3.12.01.04 Loan Representative Credit Score (March 1, 2017)

- For loans with only one borrower, the borrower's representative score is the loan's representative credit score.
- For loans with multiple borrowers, when every borrower has a credit score, the lowest of all borrower representative scores is the loan's representative score.
- For loans with multiple borrowers, when at least one borrower has a credit score and at least one borrower does not, the lowest borrower representative score of those borrowers with scores is the loan's representative score. Borrowers with no score are not considered in the determination of the loan representative score.
 - If the borrower without a credit score is the primary wage earner (contributes >50% of the qualifying income), then non-traditional credit references must be documented for this borrower ([see Non-Traditional Credit References section](#)). Because at least one borrower has a credit score, no other non-traditional credit requirements apply.
- If no borrowers on the loan have a credit score, the loan must meet the non-traditional credit requirements.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.12.02 Types of Credit (November 15, 2018)

3.12.02.01 Non-Traditional Credit⁵ (November 15, 2018)

A transaction is considered non-traditional credit when NO borrower has a credit score (see [section 3.12.01.04](#) when at least one borrower has a credit score and at least one borrower does not have a credit score).

The following are the underwriting requirements for non-traditional credit.

- **LTV/Loan Amount/DTI Requirements – Non-Delegated:**

Eligible Loan Types	Fixed-Rate/Fixed-Payment, ARMs, Temporary Buydowns, and Balloons				
Occupancy	Transaction Type	Property Type	Maximum LTV	Maximum Loan Amount	Maximum DTI
Primary Residence (Non-Delegated)	Purchase & Rate/Term Refinance	1-unit, SFD/SFA, Condos, Co-ops	95%	\$453,100	45% ¹
¹ The 5% DTI variances addressed in section 3.03 are not allowed.

- 2–4 unit properties.
- Manufactured homes.
- Cash-out refinance.
- Construction-to-permanent or renovation loans.
- Second homes.
- Investment properties.
- Delegated submissions.

- **Credit References:**

Each borrower on an MI application must establish an acceptable credit history through trade lines reported on the credit report or through non-traditional credit references.

Non-traditional credit references are only acceptable when the traditional credit report does not produce a credit score. Non-traditional credit references may not be used to offset traditional trade lines with derogatory information.

A minimum of four sources of non-traditional credit with at least 12 months' history must be provided (one housing related, one utility, and two from other sources).

Credit references must have at least one quarterly repayment requirement.

⁵ For loans submitted under a United Guaranty Master Policy, borrowers using non-traditional credit are ineligible when the lender submitting the MI application is located in NY, SD, WA, or TX. In addition, they are ineligible when the property is located in NY. These limitations do not apply for loans submitted under an Arch Mortgage Insurance Company Master Policy.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

The credit profile must indicate:

- No housing delinquency in the past 24 months.
- No more than 1x30 or 0x60 installment or revolving late payments in the past 12 months.
- No collections or charge-offs (except medical).
- No judgments (they must be satisfied).
- No bankruptcy/foreclosure/deed-in-lieu/short sale.
- **Acceptable Sources of Non-Traditional Credit:**
 - Housing-related: Lenders must obtain at least one housing-related source for a non-traditional credit history. The credit agency must specify in the report whether verification was obtained from a professional management company or from an individual landlord.
 - Utilities (when not included in the rental housing payment): Utilities include electricity, gas, water, and payments for cable or telephone service.
 - Other payments:
 - Payments for medical insurance coverage, automobile insurance, life insurance policies, and rental insurance payments. Payroll deductions for these items are excluded from use as an acceptable trade line.
 - Payments to local department, furniture, appliance, or specialty stores; rental payments related to durable goods (including automobiles); medical; school tuition; child care; loans obtained by an individual (if there is written agreement and the borrower can provide copies of cancelled checks to indicate payments are consistent with the terms of the agreement); and authorized user accounts (if there is written documentation to support the borrower has been solely responsible for payments during the most recent 12 months).
 - The consumer reporting agency should provide the lender all documentation received for each credit reference listed on the credit report.
- **Documentation Requirements:**

Acceptable documentation for all credit references include:

 - 12 months of consecutive account statements.
 - A current account statement with 12 months of cancelled checks and/or paid receipts.
 - Lender direct written verification which must include all of the information required on a non-traditional credit report and a current statement provided by the creditor; or
 - A non-traditional credit report.

3.12.02.02 No Credit History (March 1, 2017)

Transactions in which all borrowers are unable to document established credit (via traditional or non-traditional credit requirements) are **ineligible**.

3.12.03 Credit Report (March 1, 2017)

3.12.03.01 Ineligible Credit Reports (March 1, 2017)

Foreign credit reports are **ineligible**.

3.12.03.02 Fraud Alert Messages on Credit Reports (March 1, 2017)

Credit repositories have developed messages to identify potential fraudulent activities perpetrated by individuals misusing others' identity information. The messages may pertain to the borrower's Social Security number, address, telephone number, etc. All fraud alert messages appearing on the credit report need to be satisfactorily addressed to ensure the information presented on the loan application is true and correct.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.12.03.03 Accuracy of Credit Report (March 1, 2017)

It is possible for a credit report to include disputed items or erroneous information. The following requirements apply based on the individual circumstances:

- When the correction or removal of the disputed/erroneous item will improve the borrower's credit history, **and** the credit score as reflected on the credit report meets Arch MI's minimum credit score requirement for the transaction:
 - A corrected credit report and credit score may be provided for use; **or**
 - Documentation must be provided to substantiate the borrower's claim for the disputed or erroneous item(s), and the original credit report and credit score must be used.
- When the correction or removal of the disputed or erroneous item will improve the borrower's credit history, but the credit score as reflected on the credit report does not meet Arch MI's minimum credit score requirement for the transaction:
 - A corrected credit report and credit score **must** be provided for use. No attempt should be made to adjust the credit score or assume the correction will increase the score enough to meet Arch MI's minimum credit score requirement.
- When the correction or removal of the disputed or erroneous item will worsen the borrower's credit history:
 - A corrected credit report and credit score **must** be provided for use. No attempt should be made to adjust the credit score.

3.12.04 Derogatory Credit (November 15, 2018)

3.12.04.01 Restructured Mortgage Loans (November 15, 2018)

A restructured mortgage loan is defined as follows:

Any restructured loan for which the original transaction has been changed, resulting in absolute forgiveness of debt or a restructure of debt through either a modification of the original loan or origination of a new loan that results in any of the following:

- Forgiveness of a portion of principal and/or interest on either the first or second mortgage;
- Application of a principal curtailment by or on behalf of the investor to simulate principal forgiveness;
- Conversion of any portion of the original mortgage debt to a "soft" subordinate mortgage; or
- Conversion of any portion of the original mortgage debt from secured to unsecured.

The following mortgage loans are eligible for insurance when meeting all other Arch MI underwriting requirements:

- A refinance transaction that allows for the restructure of the existing debt as defined above.
- The subsequent refinance of a restructured mortgage loan.
- A purchase transaction with a borrower who had previously restructured a mortgage loan.

If a restructured mortgage loan is modified instead of refinanced, it may not be submitted as a new insurance application. The loan should be submitted as a modification.

3.12.04.02 Deed for Lease (March 1, 2017)

Borrowers may have the opportunity to lease a property for which they have given a deed in lieu of foreclosure. When the borrower's loan file references a deed for lease, the underwriter must determine the completion date of the deed in lieu of foreclosure to ensure the requirements are met.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.12.04.03 Prior Arch MI Claim (March 1, 2017)

3.12.04.04 Credit Counseling (March 1, 2017)

Borrowers who have received credit counseling as a result of derogatory credit should have satisfactory re-established credit from the conclusion of the counseling.

See [section 3.06.01.02](#) for additional restrictions for loan amounts higher than \$850,000.

3.12.04.05 Past-Due Accounts (March 1, 2017)

All open past-due accounts must be brought current with the following exceptions:

- Collections.
- Charge-offs.
- Garnishments.

Arch MI aligns with the Agencies' requirements to determine whether the above items must be paid off.

3.12.05 Liabilities (March 1, 2017)

3.12.05.01 Student Loans (March 1, 2017)

When the required monthly payment for a student loan is not listed on the credit report, the monthly payment may be determined by:

- Requiring copies of the loan documentation; **or**
- Using 1% of the outstanding balance of the student loan.

3.12.05.02 Debts Paid by Business (March 1, 2017)

A debt paid by a business the borrower owns does not have to be counted as part of the borrower's recurring monthly obligations when the following requirements are met:

- The account in question does not have **any** history of delinquency.
- The borrower supplies proof that the business has paid the obligation for the last six months (preferably cancelled business checks).
- The payment of the obligation is reflected in the business cash flow analysis (e.g., reflected as an expense on the Schedule C).

3.13 Geographic Requirements (March 1, 2017)

3.13.01 Eligible Geographic Areas (March 1, 2017)

Loans secured by properties located in the following geographic areas are eligible for insurance:

- **Eligible:** All 50 states located in the United States and the District of Columbia.
- **Ineligible:** All other countries and U.S. territories (including Puerto Rico, Guam, and the Virgin Islands).

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

3.14 Property (November 15, 2018)

3.14.01 Ineligible Property Types (March 1, 2017)

The following property types are **ineligible**:

- Single-wide manufactured homes.
- Any property type that is **ineligible** for sale to the Agencies.
- See [section 3.06.01.02](#) for additional restrictions for loan amounts higher than \$850,000.

3.14.02 Two- to Four-Unit Properties (March 1, 2017)

- Primary residence, purchase and rate/term refinance transactions only.
- Non-traditional credit is **ineligible**.
- Gift/grant funds are **ineligible** for 3–4 unit properties.

3.14.03 Condominiums and Cooperatives⁶ (Co-ops) (March 1, 2017)

For a condominium or co-op to be eligible for insurance, it must be eligible for sale to either one of the Agencies.

Arch MI aligns with the Agencies' published requirements for condominium and co-op eligibility with the following restrictions:

- Projects which include manufactured housing are **ineligible**.
- Non-realty limited common elements (e.g., boat dock slips, cabanas) may not be financed with the property. Assigned parking spaces may be financed as a cost of the property.
- See [section 3.06.01.02](#) for additional restrictions for loan amounts higher than \$850,000.

The following condominiums and co-ops are **ineligible** for delegated submissions. They will be considered on a loan-by-loan basis when submitted non-delegated:

- A condominium which receives a single loan project eligibility waiver from an Agency because the project does not meet its published requirements.
- A condominium located in a project that received a Project Eligibility Review Service (PERS) approval which allows exceptions to the Agency's published requirements.
- A co-op that received an exception from an Agency to their published requirements.

3.14.04 Manufactured Homes (November 15, 2018)

Arch MI defines a manufactured home as a factory-built, multi-sectioned home built on a permanent frame (chassis) with a removable transportation system. The manufactured home is delivered and permanently attached to a site-built foundation. A manufactured home is built under the Federal Home Construction and Safety Standards established by HUD on/after June 1976. The label that confirms this is located on the manufactured home. The HUD Data Plate and HUD Certificate Label are required to confirm compliance with these standards.

The following are the underwriting requirements for manufactured homes.

3.14.04.01 Property Eligibility (November 15, 2018)

For mortgage insurance eligibility, manufactured homes must meet the following conditions:

- Manufactured homes must be a minimum of 18 feet wide or a minimum of 600 square feet in floor area. Single-wide homes are ineligible.
- The land and improvements are included under one mortgage or deed of trust.

⁶ For loans submitted under an Arch Mortgage Insurance Company Master Policy, co-op eligibility is limited to CT, DC, IL, MA, MD, NH, NJ, NY and VA. These limitations do not apply to loans submitted under a United Guaranty Master Policy.

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

- The property (land and structure) is legally classified as real property by the local jurisdiction, taxing authority and title company.
- All loans must have an ALTA 7 Title Endorsement.
- The home is permanently affixed to a foundation that adheres to local building codes, and wheel axles and trailer hitches have been removed. Homes on piers must satisfy the manufacturer's recommendation. Anchors must be provided where required by state law.
- The land must be owned in fee simple by the borrower.
- A minimum of 2 manufactured home comparable sales must be used by the appraiser to demonstrate conformity within the market and to establish market appeal.

3.14.04.02 Purchase Transactions (November 15, 2018)

Purchase transactions are those in which the mortgage proceeds are used to finance the purchase of the manufactured home or the manufactured home and the land. The land may be previously owned by the borrower, either free of any mortgage or subject to a mortgage that will be paid off with the proceeds of the new purchase money mortgage.

- **Sales Price of the Manufactured Home:**

In addition to the cost of the manufactured home and land, the sales price may include the cost of bona fide and documented transportation to the site, site preparation costs and dwelling installation costs.

Any personal property items (non-realty items) purchased in conjunction with the manufactured home must be deducted from the sales price and cannot be financed as part of the mortgage.

- **LTV Calculation:**

For a purchase transaction when the loan is secured by a **newly built** manufactured home that is being attached to a permanent foundation in connection with the transaction, the LTV will be determined using the lower of:

- The "as completed" appraised value; or
- The sales price of the manufactured home (as evidenced by the dealer's invoice) plus the land:
 - If the land was purchased less than 12 months prior to the loan application date, use the lowest sales price at which the land was sold during that 12-month period, or
 - If the land was purchased 12 or more months prior to the loan application date, use the current appraised value of the land.
 - If the land was acquired through a gift or inheritance, use the appraised value of the land. Document the acquisition and transfer of the land.

For a purchase transaction when the loan is secured by a manufactured home that **already exists** on its foundation, the LTV will be based on the lowest of:

- The sales price of the manufactured home and the land, or
- The current appraised value of the manufactured home and the land, or
- If the manufactured home was attached to the foundation less than 12 months prior to the loan application date, the lowest price the home was previously sold for during that 12-month period and the lower of the:
 - Current appraised value of the land, or
 - Lowest price the land was sold for during that 12-month period.

Trade Equity:

Trade equity will be considered only if:

- The borrower has contributed the minimum cash down payment prior to consideration of the trade equity; and

For items not addressed in this section, the Agency requirement applies.

See section 3.01, [General Underwriting Requirements](#), for more information.

See section 3.03, [Loan Amount/LTV/Credit Score/DTI Requirements](#), for additional requirements that may apply.

- The maximum permitted equity is calculated based on the length of ownership. If the unit has been owned for 12 or more months, use 90% of the retail value as listed in N.A.D.A.⁷ (a copy of the valuation report must be provided). If the unit has been owned for less than 12 months, use the lesser of 90% of the retail value as listed in N.A.D.A. or the lowest sale price within the last 12 months.

3.14.04.03 Refinance Transactions (November 15, 2018)

▪ LTV Calculation:

For a rate/term refinance of an existing unit already permanently affixed to the land, the LTV will be based on the lowest of the following:

- The current appraised value of the manufactured home and land; or

3.16 Analyzing the Appraisal Report (March 1, 2017)

- The appraisal should fully analyze the neighborhood, site, physical characteristics, and condition of the property.
- The appraisal should indicate that the property is in average or better condition. If the property condition is rated fair or poor, the appraisal should be made subject to repairs that will bring the property to an average or better condition. Additionally, when provided, the following Condition and Quality of Construction rating codes, as defined by the FHFA Uniform Appraisal Dataset used by Fannie Mae and Freddie Mac, must be considered as follows:
 - Condition ratings of C1, C2, C3, or C4 are acceptable in an “as is” condition. Due to the risk associated with condition ratings C5 and C6, any appraisals with a C5 or C6 rating **must** have the condition items causing the rating on the appraisal be “subject to completion of repairs” in order for the transaction to be eligible for mortgage insurance.
 - Quality of Construction ratings of Q1, Q2, Q3, Q4, or Q5 are acceptable. Due to the risk associated with Quality of Construction rating Q6, any appraisal report with this rating will be **ineligible** for mortgage insurance.
- When the appraisal is made subject to completion, repairs, or inspection, the lender must ensure that the construction is completed, the repairs are made, or the inspection is completed. If the inspection shows that additional repairs are required, those repairs must be completed also. Repairs may be completed after closing.
- Lenders exercising their delegated authority are responsible for assessing the validity and accuracy of the appraisal report and ensuring the value is supported prior to delegation, including but not limited to, adequacy of the comparables, property condition, market value, and appraised value. This is regardless of any AUS response on the transaction. Numerous tools are available to lenders in the marketplace to assist in this assessment and Arch MI encourages their use. This is particularly important during times of market volatility or fluctuations, especially if there are any indications the subject property and/or comparable properties are located in an area of soft and/or declining property values.
