

BUILD YOUR BUSINESS SUCCESS ON

Arch MI's Unique RateStar Platform

RATESTAR AND RATESTAR BUYDOWN

Combining the latest technology with more than a decade of in-depth data analysis, RateStarSM delivers continuous innovation to ensure a competitive monthly MI premium for your customer, including a buy-down feature to achieve the most affordable rate.

Originate more loans, reach new customer segments and compete efficiently in an ever-changing environment:

- **RateStar** is the leading risk-based MI pricing solution and guarantees our most competitive rates, protected by our 90-Day Promise.
- **RateStar BuydownSM**, the industry's only buydown tool, enables you to create a unique, custom MI premium payment to meet each member's needs.

Find RateStar at archmicuratestar.com, on the Arch MI Mobile App, on Amazon Alexa, via our **CONNECT** origination portal — and on most industry and LOS pricing engines.
