- Glossary.
- Resources.
- Addendum.

Homebuyer Seminars — A Proven Route to Purchase Business

Who benefits from a homebuyer seminar?

- Potential homebuyers — better informed buyers are more likely to get their loan from you.
- Local real estate agents, builders and developers, who will provide referrals and speakers.
- Firms involved in closing real estate transactions, who can provide information about their services.

Everything you need is in the kit. Plus, you can brand the presentation materials with your own logo and contact information.
