

HaMMR Digest

Make the Right Decisions with Reliable Market Intelligence

The mortgage industry is all about data. But data by itself isn't enough — you need expert analysis to understand the potential impact on your business.

HaMMR DigestSM summarizes each week's key data in context and offers detailed explanations that make sense of the numbers.

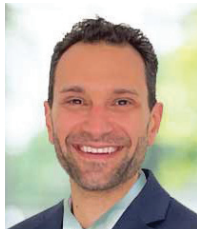

Parker Ross

The Go-To Weekly Resource for Mortgage Professionals

Arch Global Chief Economist **Parker Ross** and Director of Real Estate Economics **Leonidas Mourelatos** provide a detailed overview of housing's current status and likely direction by assessing the latest releases on:

- Mortgage apps.
- Home sales.
- Consumer spending.
- Interest rates.
- And other key indicators.
