# Monthly Premium Notes

## Premium Plans

### Monthly Premium

To calculate the monthly premium amount, divide the Annualized Monthly Rate (including the addition or subtraction of any applicable rate adjustments) by 12, multiply the result by the insured loan balance and round to the nearest cent.

For EZ Monthly premiums, no premium is due at closing. The initial premium is collected along with the member's first monthly mortgage payment.

### Level Annual Premium

To calculate the Level Annual Premium amount, subtract the Level Annual Premium discount from the Annualized Monthly non-refundable base rate and multiply the result by the insured loan balance, rounding to the nearest cent. This is an exclusively refundable product and therefore no additional Refundable Surcharge applies to Level Annual Premium plans.

### BPMI (Borrower-Paid Mortgage Insurance)

Borrower-paid mortgage insurance premiums are collected by the servicer from the members.

### LPMI (Lender-Paid Mortgage Insurance)

Lender-paid mortgage insurance premiums are paid by the lender without directly collecting a premium from the member. All premiums must qualify as "lender paid" in accordance with the Federal Homeowners Protection Act of 1998. Rates are selected based on the lender's state of domicile.

## Loan Programs Pricing Categories

### Fixed-Rate Mortgages

Feature level interest rates for at least the first five years.

### Non-Fixed Rate or Adjustable-Rate Mortgages (ARMs)

Feature interest rates that have the potential to change within a period less than five years. Negative amortization mortgages, including option payment mortgages, are ineligible for coverage.

## Loan Term Pricing Categories

### > 20-year Mortgages

Includes loans that fully amortize over periods greater than 20 years and not more than 40 years.

### ≤ 20-year Mortgages

Loans in this category must fully amortize over a maximum of 20 years.

## Renewals

### Amortized Renewal

Annual or monthly rate is applied to the outstanding loan balance from coverage inception date through term.

### Constant Renewal

Annual or monthly rate is applied to the ORIGINAL loan balance from policy inception date through year 10. The constant renewal rate for years 11 through term is the lower of the original premium rate or 17 basis points (0.17%).

## Refunds

Under non-refundable BPMI premium plans, no premium will be refunded unless: 1) the "Refundable Monthly" option is chosen or 2) MI coverage was canceled due to the requirements of the Homeowners Protection Act of 1998 (HPA) or applicable state law. If the Refundable Monthly option is chosen, a premium refund for non-HPA cancellations will be calculated pro-rata. If coverage is canceled due to HPA, a refund of unearned premium will be provided. Premium payments made under any LPMI program are non-refundable.

## Other Considerations

Rates are subject to approval by the applicable state department of insurance.

### Minimum Rate

The minimum premium rate, after applying all premium adjustments, is 15 basis points (0.15%).
