

Order Delegated MI with BytePro

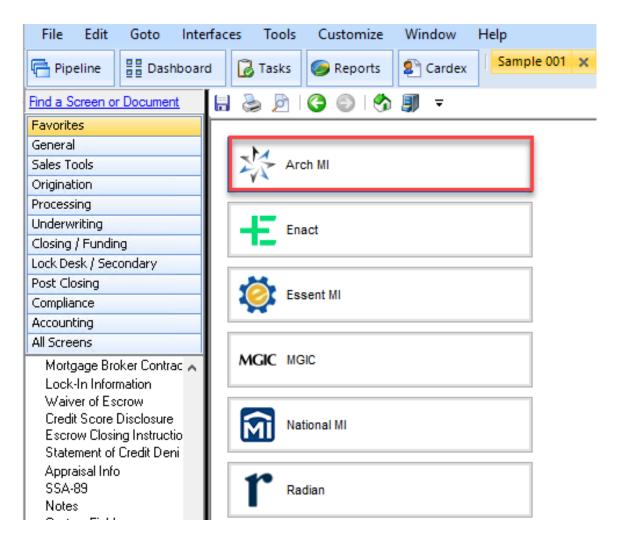

Request Rates from BytePro

- 1. Select Loan from your Pipeline.
- 2. Select Interfaces, Mortgage Insurance.

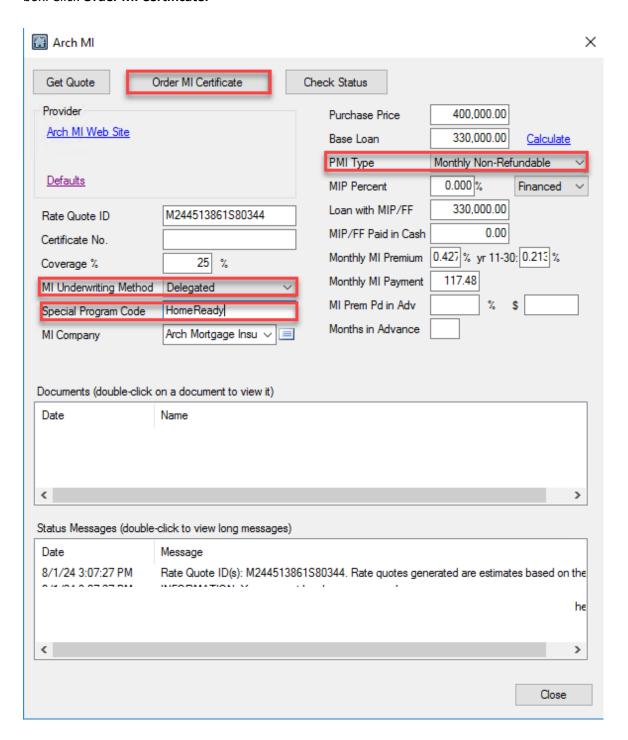

3. Select Arch MI. The Arch MI screen displays.

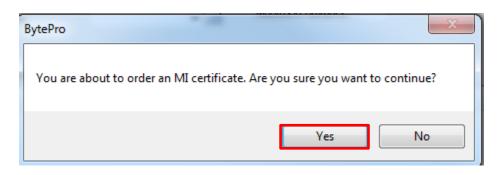

4. Select **Delegated** in the **MI Underwriting Method** drop-down box. Enter applicable Loan Program code in the **Special Program Code** box. Select the appropriate Premium Plan in **PMI Type** drop-down box. Click **Order MI Certificate.**

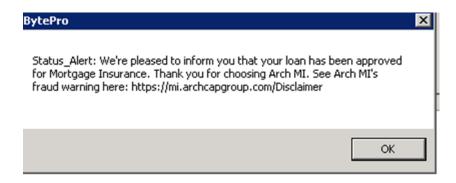

5. A confirmation message displays. Select **Yes** to order Delegated MI.

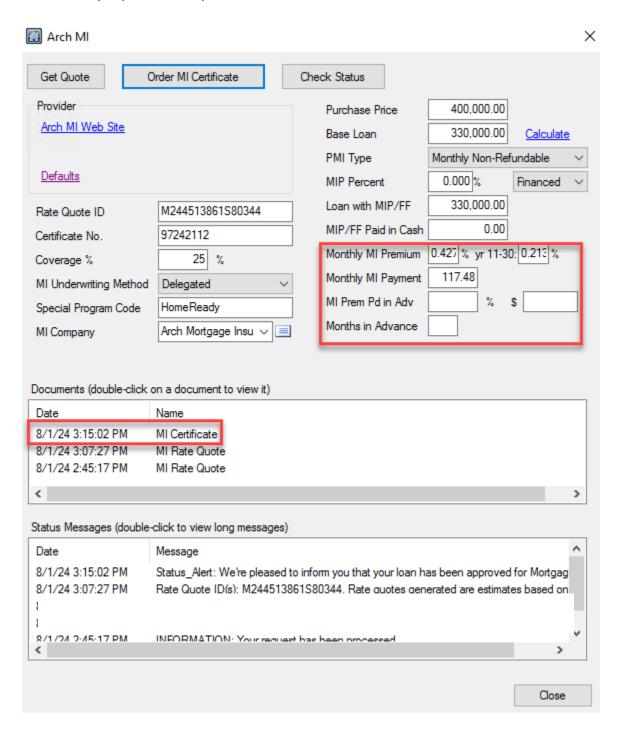

6. A message displays indicating your MI request has been approved for Mortgage Insurance. Click **OK.**

 The Arch MI screen displays. In the **Documents** section, double-click the **MI Certificate** to view your MI Certificate PDF. The MI Certificate is also stored in your **Stored Documents** folder. MI rates are automatically imported into BytePro.

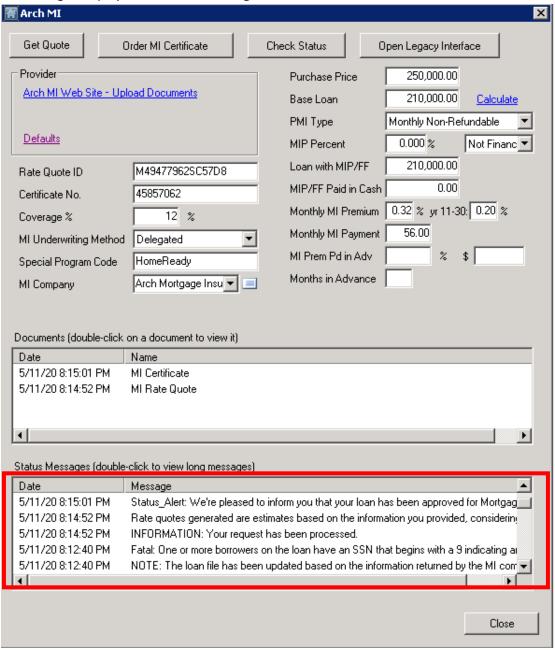

8. If your loan suspends, an error message displays. Click **OK.**

9. All messages display in the **Status Messages** section.

10. Once your loan is approved, select Check Status. A Status Alert will display that the loan has been approved. In the Documents section, double-click the MI Certificate to view your MI Certificate PDF. MI Rates automatically import into BytePro.
