Win the Interest-Rate Wars with **RateStar Buydown**

RATESTAR

In the current environment, borrowers are aggressively rate-shopping. Compete to win that business with a guaranteed Deal Saver: **RateStar BuydownSM**.

Even if your rate is higher, RateStar Buydown can still save the deal for you — because now you have the flexibility to offer real options:

- Create a custom MI payment for your borrower using the easy slider tool.
- Buy down the MI premium using a gift or grant.
- Lower the PITI to mitigate a slightly higher interest rate.

Use the Deal Saver with Every Loan

When first-time homebuyers care most about a low monthly payment, you can't afford *not* to use RateStar Buydown.

What makes it the most valuable sales tool for your business?

- **Dynamic:** Ensures the ultimate MI payment flexibility for each borrower's situation.
- **Dependable:** Industry-leading, efficient design makes it simple to customize premiums.
- **Decisive:** Closes the deal for *your* business — not your competitors'.
