Worried about deal breakers? Get the flexibility your homebuyers need with **RateStar BuydownSM** — the leading MI buydown tool. Check out the **top four ways** this “Deal Saver” tool helps put your client in a home.

1

Uses borrower's own funds, gifts or grants, or excess lender/seller credits to reduce the monthly MI premium.

2

Decreases DTI for GSE approval.

3

Provides a customized MI premium payment.

4

Meets each borrower's specific PITI payment goals.

Let me show you how I can save your deals with the Deal Saver.
