

Originate More Portfolio Loans with AMGC

Reduce your exposure on portfolio loans and explore new origination opportunities when you insure with Arch Mortgage Guaranty Company (AMGC).

Top-rated by Moody's and Standard & Poor's, AMGC comes with Day One rescission relief and the flexible guidelines to insure a wide range of mortgages:

Approve loans that may fall outside GSE eligibility

- Loan amounts outside of FHFA loan limits.
- Loans intended for private securitization.
- Some non-Qualified Mortgage loans such as Interest-Only.

Qualify more members

- Down payments as low as 3%.
- Fixed-rate loans and ARMs.
- Credit scores as low as 620.
- Debt-to-income ratios as high as 50%.
- Extended loan terms (including 40-year).
- A variety of insurance coverage options are available.

Strengthen your community with our AMGC Community Program

- Reach out to more homebuyers with this unique product.
- Affordable MI solution allows modest down payments for eligible members.
- Portfolio programs include **AMGC Community Heroes**, **AMGC Community Experts** and **AMGC EqualAccess Homeownership Program**.

Price your AMGC loans using RateStarSM to receive our most competitive rates and customize an affordable MI premium payment for members with RateStar BuydownSM.
