# Arch | MI

Check your UW Status Fast

with Arch MI's Loan Status Lookup

In a hurry to find out the underwriting status of your MI request?

Arch MI's online Loan Status Lookup tool is here to help. When you don't have the time to log in to **CONNECT** or if you don't have an account, this web-based app is fast and easy to use.

1. Go to **archmi.com/loan-status-lookup**. The Loan Status Lookup search box is on the right.

2. Enter the Certificate number (Application Reference number) of your Arch MI-insured loan to get the current underwriting status, including which documents we've received and the ones you still need to send.

STATUS LOOKUP

Search using:

| Certificate | Loan |

Certificate #

Enter Certificate #

GET STATUS

You can also access Loan Status Lookup by clicking the Loan button, then entering the loan number, property ZIP code and property street number.*

Start using our Loan Status Lookup tool today at archmi.com/loan-status-lookup.

* For property street number, enter the numeric portion of the street address. For instance, if the property address is 1234 Main Street, enter 1234.
