Additional Requirements

General Information

- When submitting a loan for MI or requesting a rate quote, the program name **AMGC EqualAccess Homeownership Program** must be entered into the system.

*Maximum Loan Amount

- Properties located in the contiguous states and the District of Columbia: The maximum loan amount is the FHFA conforming baseline loan limit for 1-unit properties based on property location, as outlined on the FHFA website: <https://www.fhfa.gov/DataTools/Downloads/Pages/Conforming-Loan-Limits.aspx>.

Maximum Volume Allotment:

- Loans insured under the AMGC EqualAccess Homeownership Program will be limited to 10% of new insurance written (NIW) on a go-forward basis. The 10% applies to NIW under the lender's Arch MI and AMGC Master Policies combined. Arch MI will track this limit and notify the lender if concerns arise that require future correction.

Borrower Eligibility:

- Total qualifying income for all borrowers must be less than or equal to 100% of the Area Median Income (AMI) for the property location.
 - For determining eligibility, lenders must refer to Fannie Mae's [Area Median Income Lookup Tool](#) or Freddie Mac's [Home Possible[®] Income and Property Eligibility Tool](#).

- All borrower(s) eligible income must be used to determine program eligibility.
- No other real estate may be owned by the occupying borrower(s) at the time of closing, including property retained for pending sale at a later date, regardless of equity in the current residence. See requirements for non-occupying borrowers below.
- Homeownership education** is required when:
 - All occupying borrowers are first-time homebuyers; or
 - All occupying borrowers are relying on non-traditional credit.

State Restrictions:

- This program is not available for lenders with home offices in the following states: AK, HI, NY and WA. (See "Pricing and MI Coverage Options" section below for coverage option restrictions in OH.)

Underwriting Method:

- All AMGC underwriting requirements apply unless otherwise detailed within these Additional Requirements.
- Desktop Underwriter[®] (DU[®]) or Loan Product Advisor[®] (LPASM) recommendations are not applicable.

Documentation:

- All AMGC documentation requirements apply, DU or LPA documentation efficiencies do not apply.

Eligible Loan Type:

- Fixed-rate/fixed-payment.
- ARMs with an initial fixed-rate period \geq 5 years.

Maximum Term:

- 30 years.

Pricing and MI Coverage Options:

- Rates are only available through the RateStarSM pricing option.
- All rate plans are available, including lender-paid, borrower-paid, monthlies and singles.
- The following coverage options are available:
 - 25%, 20% and 18%.
 - 12% Reduced Coverage:
 - MI coverage will be terminated by AMGC upon the earlier of the scheduled or actual amortization of the loan amount down to an LTV less than 90%.
 - Prior to participation in this coverage type, the lender must execute an acknowledgment form directing AMGC to cancel coverage at the designated LTV level. Please contact your Account Manager to obtain the form.
 - This coverage type is not allowed for lenders with home offices in OH.

Credit:

- Valid Credit Score:
 - For a borrower's credit score to be considered valid, the information on the credit report must be accurate.
 - Wherever "credit score" is referred to within this document, the reference is to a "valid credit score."
 - If no borrowers on the loan have a credit score, the loan must meet non-traditional credit requirements (maximum 97% LTV). See the complete non-traditional credit requirements in the "Expanded Requirements for loans with 95.01–97% LTVs" section below.
- Loan Representative Credit Score:
 - For loans with only one borrower, the borrower's representative score is the loan's representative credit score.
 - For loans with multiple borrowers, when every borrower has a credit score, the lowest of all borrower representative scores is the loan's representative score.
 - For loans with multiple borrowers, when at least one borrower has a credit score and at least one borrower does not, the lowest borrower representative score of those borrowers with scores is the loan's representative score. Borrowers with no score are not considered in the determination of the loan representative score.

- If the borrower without a credit score is the primary wage earner (contributes $>$ 50% of the qualifying income), then non-traditional credit references must be documented for this borrower (see non-traditional credit references below). Because at least one borrower has a credit score, no other non-traditional credit requirements apply (including maximum 97% LTV).

Assets/Minimum Borrower Contribution:

- Minimum Borrower Contribution: None required.
- Interested-Party Contributions (IPCs): Maximum 3% of the purchase price.
- Reserves: None required.

Expanded Requirements for Loans with a 95.01%–97% LTV:

The following expanded underwriting requirements are allowed for loans with a 95.01%–97% LTV. Only one of these expanded requirements is allowed in each loan file.

▪ Manufactured Home:

- All AMGC manufactured home requirements apply up to a maximum 97% LTV (instead of 95% LTV).
- The manufactured home does not need to meet Fannie Mae's MH Advantage[®] or Freddie Mac's CHOICEHome[®] requirements.

▪ Non-Occupant Borrower:

- The occupying borrower does not need to contribute 3% from their own funds.
- The occupying borrower(s) must contribute income to the transaction.
- The non-occupant borrower must have a valid credit score.
- All other AMGC non-occupant borrower requirements apply.

▪ Boarder Income:

- The rental payments that any borrower receives from one or more individuals who reside with the borrower (who may or may not be related to the borrower) may be considered as acceptable stable income in an amount up to 30% of the total gross income that is used to qualify the borrower for the mortgage if the boarder:
- Is not obligated on the mortgage loan and does not have an ownership interest in the property;
 - Has lived with the borrower for the last 12 months;
 - Can provide appropriate documentation to demonstrate a history of shared residency (such as a copy of a driver's license, bill or bank statement that shows the boarder's address as being the same as the borrower's address); and
 - Can demonstrate the payment of rental payments (such as with copies of canceled checks) to the borrower for

- the last 12 months, or
- at least 9 of the most recent 12 months, provided the rental income is averaged over a 12-month period.

Payment of rent by the boarder directly to a third party is not acceptable.

▪ **Non-Traditional Credit:**

A transaction is considered non-traditional credit when NO borrower has a credit score (see the “Credit” section above when at least one borrower has a credit score and at least one borrower does not have a credit score).

– **Credit References:**

- Each borrower on an MI application must establish an acceptable credit history through trade lines reported on the credit report or through non-traditional credit references.

- Utilities (when not included in the rental housing payment): Utilities include electricity, gas, water, cable and phone service.

– Other payments:

- Payments for medical insurance coverage, automobile insurance, life insurance policies and rental insurance payments. Payroll deductions for these items are excluded from use as an acceptable tradeline.
- Payments to local department, furniture, appliance or specialty stores; rental payments related to durable goods (including automobiles); medical; school tuition; child care; loans obtained by an individual (if there is a written agreement and the borrower can provide copies of canceled checks to indicate payments are consistent with the terms of the agreement); and authorized user accounts (if there is written documentation to support the borrower has been solely responsible for payments during the most recent 12 months).

– **Documentation Requirements:**

- Acceptable documentation for all credit references include:
 - 12 months of consecutive account statements.
 - A current account statement with 12 months of canceled checks and/or paid receipts.
 - Lender direct written verification, which must include all the information required on a non-traditional credit report and a current statement provided by the creditor; or

 - The consumer reporting agency should provide the lender all documentation received for each credit reference listed on the credit report.
