

Arch Mortgage Funding and The StoneHill Group Announce a Pre-Closing Due Diligence Support Collaboration

Oct. 23, 2024

Arch Mortgage Funding (AMF) announces a collaboration with The StoneHill Group, a trusted industry provider of outsourced mortgage services and solutions, to support our sellers by helping them deliver quality loans.

As part of the delegated partnership arrangement, AMF will now continually share program guidelines and updates with The StoneHill Group team so that it is current on our underwriting requirements and ready to assist in delivering quality credit decisioning on behalf of our sellers.

While AMF is not a part of the credit chain, it can, as a delegated partner, refer sellers to The StoneHill Group for their pre-closing due diligence needs.

Sellers should reach out directly to The StoneHill Group team to initiate the new service:
