Arch Mortgage Funding Announces Integration with Polly Product and Pricing Engine

Oct. 31, 2024

Arch Mortgage Funding (AMF) has partnered with Polly™ to provide our pricing through its Product and Pricing Engine (PPE). The integration will improve user workflows with Polly's patent-pending technology to maximize margins and facilitate speed and accuracy in loan pricing and lock processes.

To access pricing in Polly, you must be an approved AMF customer and submit a request to your Polly representative.

Reach out to us at sales@archmortgagefunding.com to sign up. To learn more or to discuss the process for locking in a new loan, connect with us at support@archmortgagefunding.com.

We are excited to offer this option to enable our clients to close more non-Agency loans with confidence.
