Maryland: AMF Has Resumed Accepting New Locks in the State

April 21, 2025

Effective immediately, Arch Mortgage Funding, Inc.[®] (AMF), is once again accepting new locks for Debt Service Coverage Ratio (DSCR) loans secured by properties in the state of Maryland.

In January, AMF paused accepting locks for loans secured by properties in Maryland. This pause has now been lifted for DSCR business purpose loans, but remains in effect for all other AMF products.
